1700 Years of music celebrating Mary's life: True Beauty, Joyful Hope, and Peace

"Mary is the Tota Pulchra, the 'All Fair' the ideal artists have always sought to reproduce - where human beauty meets the beauty of God"
- Pope BXVI

In Honor of the 5th Anniversary of the death of Blessed Pope John Paul II

This live production, based on the CD, is the concept of the CCWF, who realize that the genesis of their work is in the thought of Blessed Pope John Paul II, and know that their efforts are guided by the *Tota Pulchra* in Jesus' name.

"He, who at an early age lost his own mother, loved his divine mother all the more . . . and took her into his own home - TOTUS TUUS."
(Pope Benedict XVI)
